

Hurricane Football Sponsorship

July 30, 2021

To whom it may concern,

On behalf of the Palm Harbor University High School Football Booster Club, I hope you will consider sponsoring our team for the 2021 Season. We have been told that attendance for this season's home games has been reset to 100% occupancy. With home games against East Lake and Countryside we will have a lot of families out on Wednesday and Friday nights this fall. Our young athletes count on support from our community to help fund their athletic career. We hope you join the many other businesses that support our student athletes and become part of our Hurricane family.

As a sponsor, you will be joining our efforts to enrich the lives of the student athletes involved in our High School. All tax-deductible donations will be used in direct support of the PHUHS football program to help fund the necessities to run a program. We depend on donations from the local community.

I look forward to the opportunity to discuss this further. We want to make sure you get the most for your sponsorship support. We can be reached at boosters@palmharborfootball.com

On behalf of the PHUHS Football Boosters – Thank You. We look forward to having you as a Sponsor this season.
